

ONE SOURCE. ZERO STRESS.

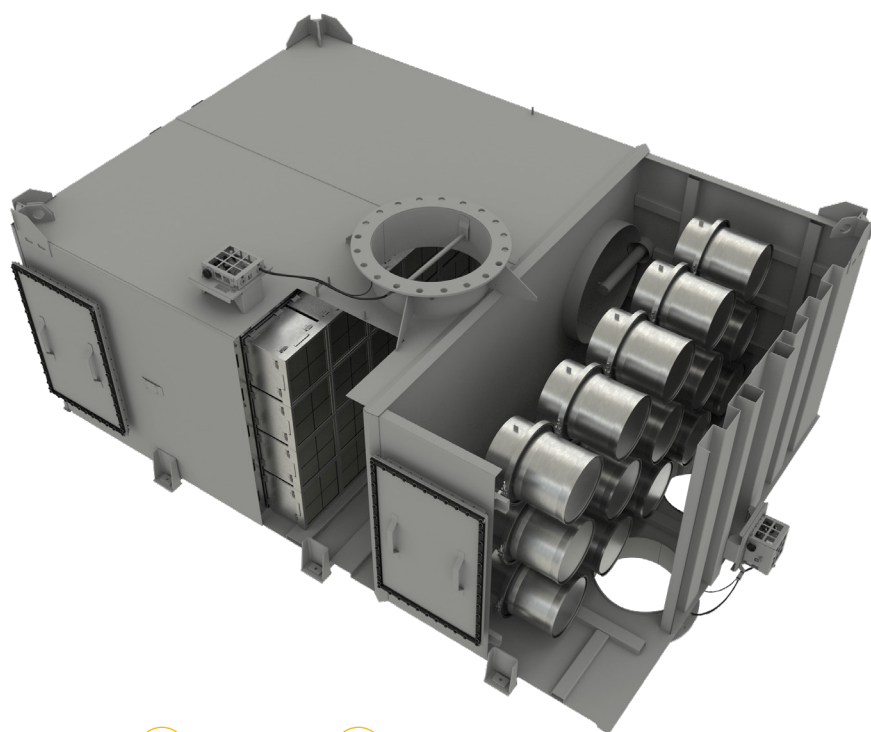

**The Cat® Selective Catalytic
Reduction (SCR) System**
For new and existing engines in electric
power applications

IT'S YOUR CHOICE – MAKE IT COUNT.

When you're adding an emissions reduction system, it makes sense to use the one built by the people who built your engine.

NO_x reduced
up to

95%

PM reduced
up to

85%

CO reduced
up to

95%

HC reduced
up to

90%

* Emission reduction results vary by engine and application.

SINGLE-SOURCE CONFIDENCE

The Cat® SCR System can help you meet challenging state, local, or site emissions standards in a configurable package.

- **Significantly reduces Nitrogen Oxides (NO_x)**
- **Can be combined with Diesel Oxidation Catalyst (DOC) or Diesel Particulate Filter (DPF) technology to reduce Carbon Monoxide (CO), Hydrocarbons (HC), and Particulate Matter (PM)**
- **Integrated silencing capability**
- **Easy to install and service**
- **Trusted Caterpillar technology built to the standards that you expect**
- **Supported by our best in class standard 2 year warranty and available customer value agreements**

Having a single point of contact for all your emissions reduction needs reduces downtime and simplifies emissions compliance so you can focus on your business. Caterpillar and Cat dealers provide the power and support to keep your operations up and running.

YOUR INDUSTRY TEAM

With industry-leading technology and the world's largest and most responsive Cat dealer network, Caterpillar is ready to be your one safe source.

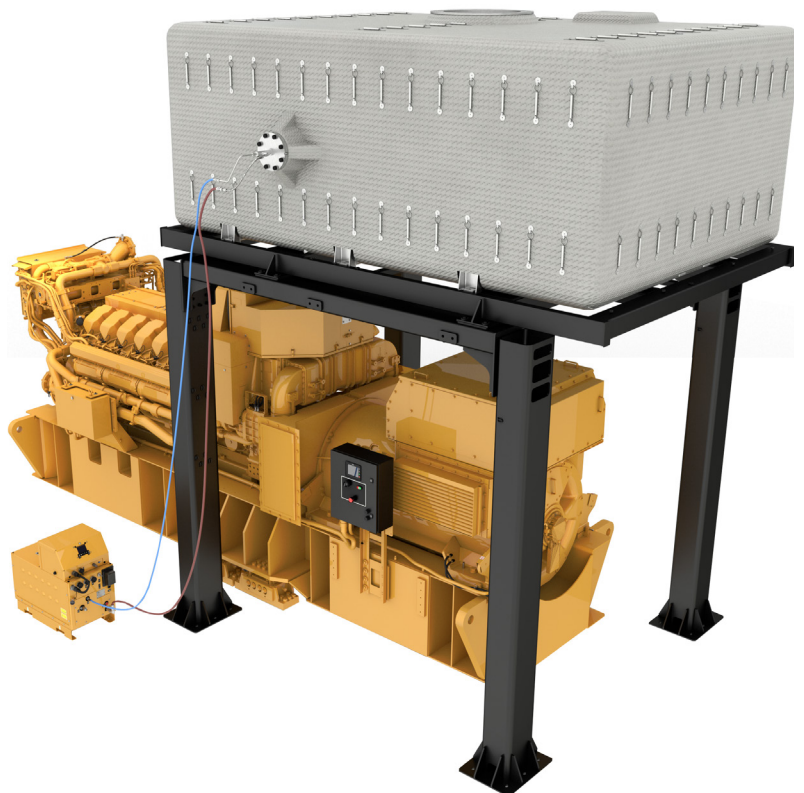

THE POWER OF QUALITY

Every component in the Cat SCR System for electric power applications is designed and manufactured to Caterpillar product standards. We take pride in our people, process, product, and service excellence. Our goal is to meet the specific needs of our customers' operation with the highest quality and value.

OUR COMMITMENT TO YOU

Your satisfaction and loyalty are the focus of our commitment. Caterpillar and your Cat dealer are on the job in countless applications around the world, working with you to deliver integrated power solutions that help your business succeed.

GLOBAL SUPPORT

When you choose Cat, you aren't just getting a superior product – you're also getting support from the largest, most experienced Cat dealer network in the world. Trained technicians ensure that parts, service, and support are always available. Our strength is in our collaboration - Customer, Caterpillar, and Cat dealers. We have a united goal of high quality products and services including our best in class standard warranty of 2 years or 8,000 hours of operation, whichever comes first, and customer value agreements (CVAs).

CVAs are easy plans that fit your business needs in order to:

- Maximize machine productivity and performance
- Extend equipment life while lowering owning and operating costs.

Built to exceed your expectations. Let's do the work.
